

DTI Community Military Partnership Workshop & Conference

Hosted by DTI and the City of San Antonio

Defense Transformation Institute

The Goals of DTI are:

- Enhance the military value of local missions
- Reduce the military's cost for infrastructure and operational support
- Accelerate the construction of new facilities for military missions
- Facilitate economic development
- Leverage assets and capabilities through enhanced community partnerships
- Lower the community's cost for installation redevelopment

The City of San Antonio

Platforms for Partnerships

Menger Hotel ■ San Antonio, Texas
October 17-18, 2006

The second annual DTI Community Military Partnership Workshop & Conference will once again spotlight the economic development successes of public-private and public-public partnerships between the military and the community. With dramatic BRAC announcements as well as major military transformation and severe budget constraints, this timely conference presents the opportunities available as well as outlining common pitfalls to ensure success in the future.

This year's theme is "Platforms for Partnerships". Learn from the most successful community partnerships and the people who made them possible and how your community can benefit in a workshop format. There's never been a better time to learn more about community partnerships and the world of opportunities that they present.

Day One Topics Include:

- **Review Successful Partnership Platforms** featuring Ft. Sam Houston (Housing Privatization Initiative, Enhanced Use Lease and New Missions/New Challenges), San Antonio City Public Service Utility Collaboration and Research & Technology Park
- **Review Successes from Brooks City-Base** featuring the Efficient Facilities Initiative, new construction, new activities and new challenges
- **Military-Community Partnership Models for Success - Texas Models** featuring Fort Hood, Corpus Christi/Ingleside, Randolph Air Force Base, Lackland Air Force Base and Other Texas Communities and Reserve and Guard Components

Day Two Topics Include:

- **Successful Community Partnering Mechanisms & Methods**
- **Community Military Partnership Organizations (CMPO's)**
- **Reviews Conducted on the Following Topics:**
 - ❖ Facility Use Agreements
 - ❖ Utilities Partnering Successes
 - ❖ Housing Privatization Opportunities
 - ❖ Enhanced Use Leasing
 - ❖ Other Tools & Methods
